## DERRINGER IS NOT A DEADLY WEAPON

When Used Simply as a Club—Ogden  
Court Draws Fine  
Distinction.

Ogden, Nov. 19.—On the ground that  
the complaint did not state sufficient  
facts to warrant a hearing, the case  
of the state against George McSpaden,  
the colored preacher who was al-  
leged to have pointed a loaded pistol  
at Baggage Agent George L. Morten-  
son, was dismissed by Judge Howell  
in the district court on Friday. Mc-  
Spaden was charged with assault  
with a deadly weapon. The gun in the  
case was an antique weapon of the  
"derringer" type and it is very doubt-  
ful whether it would have been pos-  
sible to fire a shot from it, notwith-  
standing the fact that it was loaded  
with a cartridge of great age. The  
court held that a weapon or instru-  
ment can only be considered "deadly"  
in the manner in which it is used,  
and as the complaint charged that the  
weapon had been used more as a "bill  
club" than as a gun, the serious  
charge was dismissed.

**OTHER COURT NEWS.**  
Chester Stephenson and William  
Roylance, two lads about 18 years of  
age, claiming to hail from Rexburg,  
Idaho, were taken into custody Friday  
morning on the charge of forgery and  
are being held pending further inves-  
tigation. The boys presented a check  
at the Kuhn clothing company, which  
was found to be worthless, and their  
arrest soon followed.

Clyde Baughman, who on June 3  
was captured after a spectacular ro-  
bbery at the home of Mrs. H. C. Ovi-  
att, forfeited \$200 bail in the district  
court on Friday.

To collect a total of \$1,298 alleged to  
be due on two promissory notes and  
interest and attorney's fees, New-  
man Baker has started action in the  
district court against Joseph H. H.  
Parker.

George C. Stroeter, charged with as-  
sault with a deadly instrument on the  
person of Mrs. A. C. Riley, was found  
not guilty by a jury in the district  
court on Friday.

John Kline, who was found guilty by  
a jury early in the week for attempted  
grand larceny, was sentenced on Fri-  
day afternoon by Judge Howell to serve  
18 months in the state penitentiary.

Joseph Schmidt, found guilty of  
grand larceny on Tuesday, has been  
sentenced by Judge Howell to serve one  
year in the penitentiary.

As an aftermath of a raid by the  
police department on the turf gambling  
house on Twenty-fifth street, which  
occurred Thursday night, six gamblers  
each forfeited \$100 bail in police court  
on Friday.

Other offenders before Judge Mur-  
phy were John Keilman, George Shep-  
herd and John Grubb, all of whom  
pleaded guilty to drunkenness and re-  
ceived the regulation "five days or \$5."

John Cox, a veteran in years and  
court attendance, unhesitatingly ad-  
mitted his guilt on the charge of vag-  
rancy and will labor for the city for  
10 days.

William Harding, colored, had evi-  
dently been up many times before on  
the charge of vagrancy, "10 days."

John Harrison forfeited \$5 bail for  
drunkenness.

William P. Pickett denied the charge  
of violating the bicycle ordinance and  
the case was continued till Saturday.

Edith Kargas forfeited \$15 bail for  
vagrancy.

E. Rowe and Jane Davidson each  
forfeited \$5 bail for drunkenness.

J. W. Clifford forfeited \$25 bail for  
vagrancy.

man was her son.

## TAXES DELINQUENT AFTER NOVEMBER 19

That Large Amount Remains  
To be Collected.

(Special Correspondence.)  
Logan, Nov. 18.—County Treasurer  
Toolson will close the doors of his of-  
fice tomorrow evening and after that  
time taxes will be delinquent. At the  
close of today's work he had taken in  
about \$18,000, out of a total of \$24,000  
that is to be collected. The proportion  
uncollected is a little larger than usual.

## JAMES PARKS DEAD.

Logan, Nov. 18.—Word was received  
this afternoon of the death of  
James Parks, one of the old residents  
of this county, in California. He left  
here a short time ago, intending to  
spend the winter in San Diego, but  
whether or not he reached his destina-  
tion cannot be ascertained. The re-  
mains are on the way back, and the  
funeral will be held in Wellsville Sun-  
day afternoon. Mr. Parks has been a  
resident of this city for some time, but  
the greater part of his life he spent in  
Wellsville. He was a man of sterling  
worth and highly respected.

## PARKER GOES TO NEVADA.

Logan, Nov. 18.—Prof. Harry Parker  
of the department of geology at the  
Agricultural college has given up his  
position in order to accept a more lu-  
crative one with a big mining company  
at Pioche, Nev., and he left here Wed-  
nesday evening. His wife and family  
will follow him in a week or two. Prof.  
Parker will be succeeded by Prof. Wil-  
liam Peterson, who was formerly at the  
college, but left to enter the employ of  
the Elk Cattle company.

## WILL FIGHT SUIT.

Logan, Nov. 18.—Harry Bradbury,  
who was arrested yesterday for two  
cigars to a minor, was fined \$10 for  
the offense, and it is announced that he  
will appeal the case, the vending ma-  
chine man having agreed to stand  
behind him in the suit. The boy re-  
sured the cigars from a cigar slot ma-  
chine, upon which there was a sign  
warning all who used it. The  
restaurant keeper contends, relieves  
him from all responsibility.

## LECTURE ANNOUNCED.

Logan, Nov. 18.—In the Fourth ward  
Sunday evening, T. B. Budge will  
deliver a lecture, and there will be a  
musical program, including a solo by  
Miss Nora Ellason.

## CONSOLIDATION IS AGAIN TO FRONT

Cache County Schools May Soon be  
Segregated as Result of Election  
Returns.

Logan, Nov. 17.—As a result of the  
election, it is probable that the fight  
over the consolidation of the county  
schools will be renewed. When the  
schools were consolidated two years  
ago, there was great dissatisfaction be-  
cause the commissioners effected the  
consolidation in spite of the opposition  
of the people in most parts of the  
county, and plans were put in effect  
for nullifying their action. The courts  
were resorted to, and in the proceed-  
ings as far as they went, the consoli-  
dationists were the winners. The matter  
was carried into the election this fall,  
however, and now that Heber Parker  
of Wellsville has been elected commis-  
sioner, it is expected he will join with  
Cronquist, the Democratic commis-  
sioner, who is also an anti-consolidationist,  
and rescind the action of the former  
board in uniting all the districts of the  
county in one. Parker had made the  
position in the ranks of the Republican  
party, yet he won out by a majority of  
44, his strength being in the knowledge  
of the people here of his anti-consolidation  
tendencies. If Parker and his col-  
leagues rescind the action of the former  
board, as the anti-consolidationists  
hope, the matter will be reopened, and  
again, as the consolidationists are  
strongly entrenched, and will resist any  
effort to go back to the old order of  
things.

## CITY WILL PURCHASE CHEMICAL AND HOSE WAGON

Logan, Nov. 17.—The city council last  
night decided to invest in a new  
combination chemical fire engine and  
hose wagon. The cost of the machine  
will be \$1,450.  
A franchise for a gas plant was  
granted to R. L. Campbell of this city,  
who represents Salt Lake and eastern  
interests in the matter. A new sewer  
ordinance was brought up and read,  
but action was deferred for two weeks.  
The sewer is practically completed and  
the business section is very anxious to  
make connections this fall. The action  
of the council in deferring action was  
therefore disappointing to them.

## LOGAN LOCALS.

Harry Bradbury, the restaurant man  
who was arrested and fined \$300 yester-  
day for selling liquor to minors, was  
again arrested today by Officer Eames  
for permitting a minor to obtain cigars  
from a slot machine in his place of  
business. He pleaded not guilty, but the  
evidence established his guilt be-  
yond question. The judge deferred sen-  
tence.

There has been a delay in the matter  
of arranging William Hopson, who is  
in jail here awaiting a hearing on the  
charge of assault with a deadly weap-  
on, owing to the absence of some of  
the witnesses in the case.

The result of the election seems to  
have dampened the ardor of the tem-  
perance folk here somewhat. Promi-  
nent citizens are urging the tem-  
perance committee renew its efforts, to  
the end that the city may be kept en-  
tirely clean.

## CITY COUNCIL TRANSACTS IMPORTANT BUSINESS

(Special Correspondence.)  
Murray, Nov. 19.—At the meeting of  
the city council Tuesday evening, con-  
siderable important business was  
transacted.

A petition signed by 16 taxpayers for  
the laying of a cement concrete street

tersection of Fourth avenue was granted.

The Atwood addition to Murray was

The contract with the Progress com-  
pany for a flat rate of \$1 per light per  
month for all night service was ap-  
proved. It will save \$900 per year.

Seven taxpayers residing on Center  
street petitioned the council to extend  
the water mains along their street. Re-  
ferred.

The license committee recommended  
that the liquor license be fixed at \$1,000  
per year and that the saloons be limited  
to one for each 1,000 residents. Ap-  
proved.

Mr. Luff was granted permission to  
move a house along the streets on filing  
a bond to pay any damages accruing.

## MISSIONARY FAREWELL.

Murray, Nov. 19.—W. H. Allington of  
Holladay was given a farewell party  
by his neighbors Thursday evening.  
They gathered at the Allington home,  
bringing with them the good things  
of the earth to eat. After the supper,  
music and songs were furnished, to the  
entertainment of all present, and the  
social converse which followed.

Elder Allington was made to feel that  
he had the good wishes of all his neigh-  
bors. He leaves Wednesday to fill a  
mission to Great Britain.

Joseph Hintze, also of Holladay,  
leaves Wednesday to fill a mission in

given in the ward hall. About 75  
couples enjoyed the dancing party.

## Buy Your Ownself a Present

Treat your pocket to a watch. We  
have the kind that will suit your own  
fancy, and yet be priced within the  
reach of every purse.

Remember it is better to buy your  
self a watch, ring or locket, even  
though you consider it a luxury, than  
to carelessly spend money as people  
frequently do. The nickels and  
dimes you spend carelessly each  
week would buy you a good watch.  
Come in and select a watch today.  
A deposit will hold it, and we will  
accept small payments at any time.  
We guarantee fully all our watches.
